Once the “ACC” is established by the “Board,” the “ACC” shall assume the rights and obligations of the “Board” under Section 8.4 below. The “ACC” shall serve at the pleasure of the “Board” and may be reorganized or disbanded as the “Board” deems appropriate and necessary. Once the “Board,” as appropriate, has appointed the “ACC,” as defined above, any plans and specifications for construction or changes or “Improvements” to a “Lot,” shall be submitted to and approved or disapproved by the “ACC” pursuant to the requirements outlined in Section IX and the “AC Standards and Guidelines.”

Section 8.3. Purpose of the Committee. The “ACC” was formed to preserve the harmonious design of our community by holding “Owners” accountable for adherence to the applicable guidelines set forth in the “Declarations,” Rules and Regulations, and “AC Standards and Guidelines.” The “Association,” acting through its “Board,” has established guidelines and policies to manage the development of new homes, modifications to existing homes, other construction or “Lot” modification, landscape modifications, and erosion control (herein referred to as the “AC Standards and Guidelines”). The “AC Standards and Guidelines” have been enacted to ensure the quality of workmanship and materials, harmony of external design, aesthetics, and location in relation to surrounding structures, and as to location with respect to topography, finished grade level, and elevation within the community, as well as compliance with these “Declarations.” The purpose of the “ACC” is to administer the “AC Standards and Guidelines” pertaining to the following “Owner” activities:

- (a) **New Home or Rebuild Construction:** including, but not limited to, home architectural design, approval of a licensed residential contractor, structural component selection, color selection, driveway, and property grading.
- (b) **Existing Home/Lot Modifications:** including, but not limited to, exterior alterations additions, or improvements, including but not limited to outbuildings, walls, pools, spas, patios, decks, driveways, walks, fences, signs, or any other structure commenced, erected or maintained upon any “Lot,” as well as architectural or building material or style, repainting of the exterior of any residence and/or garage, or any portion thereof, and other structural changes. Interior changes do not require “ACC” approval.

General maintenance to home structures or to other structures or landscaping (including cleaning, patching, repairing, pressure washing, cutting trees, general planting, brush removal, and other similar activities that do not result in structural changes or erosion issues) is expected as a routine event and does not require “ACC” approval.

Section 8.4. Architectural Control Committee Responsibilities. The “ACC” is responsible for assisting the “Board” in developing reasonable “AC Standards and Guidelines” to maintain the quality and design in Palmira Lakes. The “ACC” shall review all applications submitted for “ACC” review by an “Owner.” The “ACC” shall issue a determination for each application, in writing, within thirty (30) days of submission. In the

event the “ACC” fails to approve or disapprove an application within thirty (30) days after the required plans and specifications have been submitted to it, written approval will not be required, and such approval shall be automatically granted without further action and be deemed to have been duly complied with by the “Lot Owner.” Notwithstanding, the thirty (30) days may be extended if (1) the “ACC” requests additional information or clarification from the “Owner” with respect to an “ACC” submission; (2) the “ACC” requests additional time to consult with the “Board”; or (3) a suit to enjoin the erection, addition, alteration, or change has been commenced prior to the expiration of the thirty (30) days.

Section 8.5 Architectural Control Process. The Board shall establish the “ACC” application process as part of the “AC Standards and Guidelines.” In no event shall an “Owner” commence any work on their “Lot” until they have submitted a written request to the “ACC” pursuant to the written “AC Standards and Guidelines” and they have received approval, in writing, as to the harmony of external design, aesthetics, and location in relation to surrounding structures and topography and compliance with the “Declarations” and “AC Standards and Guidelines.” This includes all work related to any of the activities outlined in Section 8.3 (a) and (b) above.

Section 8.6 Owner Responsibilities for Architectural Control Compliance. Before submitting a Request to the “ACC,” the “Owner” should review the “AC Standards and Guidelines” to ensure compliance with them.

- (a) The “Owner” shall provide all required documentation and information required by the “AC Standards and Guidelines,” as well as any additional information requested by the “ACC” to reach a determination.
- (b) No work shall begin prior to “ACC” approval, in writing. The “Owner” is responsible for ensuring that all work performed fully complies with the approved plans, and that there are no changes or deviations in or from such plans without prior written approval by the “ACC.”
- (c) “Owners” are solely responsible for meeting and obtaining all Allen County building codes and permit requirements prior to commencing work. The “ACC’s” approval powers extend only to compliance with the “Association’s” “Governing Documents” and do not serve as a substitute for any ancillary requirements imposed upon an “Owner” by local building codes or county/town ordinances.
- (d) Each “Owner” shall be responsible for any damage caused to any “Lot,” “Common Area,” or other “Properties” during or after construction by any contractor and/or subcontractor engaged by said “Owner” to construct a dwelling or any other improvements on said “Owner’s” “Lot.” Should any “Owner” fail to properly repair such damage and/or restore any “Lot,” “Common Areas” and/or “Properties” to a condition deemed acceptable by the “Board” as appropriate, the “Board” as appropriate, shall have the right to repair any such damage and/or restore any “Lot,” “Common Areas” or “Properties” to an acceptable condition, and charge said “Owner” for all costs and expenses incurred in doing so. All costs and expenses incurred by the “Board,” as appropriate, and charged to the “Owner” hereunder shall be considered part of and added to the amounts assessed and collected under Article XII hereof.

Section 8.7 Liability. Neither the “Association,” any “Director,” the “ACC” nor any heirs, personal representatives, predecessor, successors or assigns thereof, shall be liable to anyone by reason of any mistake in judgment, negligence, or nonfeasance arising out of or relating to the approval or disapproval or failure to approve any plans so submitted, nor shall they, or any of them, be responsible or liable for any structural defects in such plans or in

any building or structure erected according to such plans or any drainage problems resulting therefrom. Every person and/or entity who submits plans to the "ACC," agrees, by submission of such plans, that he/she/they or it will not bring any action or suit against the "Association," any "Director" or the "ACC" to recover any damages or to require the "ACC" to take, or refrain from taking, any action whatever in regard to such plans or in regard to any building or structure erected in accordance therewith. Neither the submission of any complete sets of plans to the "ACC" for review thereby, nor the approval thereof by the "ACC," shall be deemed to guarantee or require the actual construction of the building or structure therein described, and no adjacent "Lot Owner" may claim any reliance upon the submission and/or approval of any such plans or the buildings or structures described therein.

Section 8.8. Indemnity. Each contractor and "Owner" shall comply in all respects with all applicable laws, rules, and regulations relating to any construction activities undertaken in the subdivision and will indemnify and hold harmless the "Association" from any and all liability, without limitation, for any claims arising from an approved "ACC" request, including, but not limited to laws relating to immigration or employment matters.

Notwithstanding anything to the contrary to the aforesaid, any alteration or amendment of the "Declarations" must be made accordingly with the prior approval of the Allen County Plan Commission and further that the "Declarations" herein contained and only as they relate to the stormwater detention system and the maintenance and repair thereof, shall be in continuous effect for an indefinite period, except as amended with the prior approval of the Allen County Drainage Board.

Section 11.5. Basis and Amount of Annual Assessments. Each year the "Board," at its annual meeting and effective for the year commencing with the next January 1, and each January 1 thereafter, shall set the amount of the Annual "Assessment" for the following year for each "Lot," based on the "Association" annual budget and taking into consideration the current maintenance costs and the future needs of the "Association," provided that the Annual "Assessment" shall never be less than estimated expenses.

Section 11.6. Capital Improvements and Special Assessments. In the event any Annual "Assessment" includes, or the "Board" levies a special assessment ("Special Assessment") in any given year to include, an amount for defraying, in whole or in part, the cost of construction, repair or replacement of a capital improvement upon the "Common Areas, including the necessary fixtures and personal property related thereto, that portion of such "Assessment," Annual or Special, relating to the capital improvement(s) must have the assent of the "Members" entitled to cast a majority of the votes of the "Members" of the "Association" who are voting in person or by proxy at a meeting duly called for this purpose, as provided in Section 3.4 of Article III. ("Annual Assessment" and "Special Assessment" are sometimes collectively referred to herein as the "Assessments.")

Section 11.7. Compliance Fines. The "Board," pursuant to Section 7.3 of Article VII, is authorized to establish an enforcement policy and schedule of fines to ensure compliance with the "Declarations," "Bylaws," Rules and Regulations, and "AC Standards and Guidelines" promulgated by the "Board" or "Declarations" as recorded in these documents. Any fines assessed against an "Owner" for violations are referred to as "Compliance Fines" and are collectable pursuant to the procedure established by the "Board" and in compliance with Indiana law.

Section 11.8. Uniform Rate of Assessment. Subject to the provisions of Section 11.1 above, both Annual and Special "Assessments" must be fixed at a uniform rate for all "Lots."

Section 11.9. Residential Contractor Assessment. All "Lots" owned by a residential contractor licensed in Allen County, Indiana, as such and who holds title to a "Lot" for the purpose of constructing a Dwelling Unit on said "Lot" but not residing thereon shall pay one-half of the Uniform Rate of "Assessment."

Section 11.10. Date of Commencement of Assessments: Due Dates.

- (a) The Annual "Assessment" provided for in Section 11.5 above shall commence on the date fixed by the "Board" to be the date of commencement, and shall be payable annually, in advance, on each Annual Payment Date thereafter; provided, however,

that if the date of commencement falls on other than the first day of a month, the "Assessment" for such month shall be prorated by the number of days remaining in the month.

- (b) The due date or dates of any Special "Assessment" under Section 11.6 above shall be fixed in the "Board" resolution authorizing such "Assessment."

Section 11.11. Duties of the Board with Respect to Assessments.

- (a) The "Board" shall fix the date of commencement and the amount of the "Assessment" against each "Lot" for each "Assessment" period at least thirty (30) days in advance of such date or period and shall, at that time, prepare a roster of the "Lots" and "Assessments" applicable thereto which shall be kept in the office of the "Association" and shall be open to inspection by any "Owner."
- (b) Written notice of the "Assessment" shall thereupon be delivered or mailed to every "Owner" subject thereto.
- (c) The "Board" shall upon demand at any time furnish to any "Owner" liable for said "Assessment" a certificate in writing signed by an officer of the "Association," setting forth whether said "Assessment" had been paid. Such certificate shall be conclusive evidence of payment of any "Assessment" therein stated to have been paid. A reasonable charge may be made by the "Board" for the issuance of such certificate.

Section 11.12. Effect of Non-Payment of an Assessment: The Personal Obligation of the Owner; the Lien; Remedies of the Association.

- (a) If any "Assessment" or any part thereof is not paid on the date(s) when due (being the dates specified in Section 11.10 above), then the unpaid amount of such "Assessment" shall become delinquent and shall, together with such interest thereon and cost of collection thereof as hereinafter provided, thereupon becoming a continuing lien on the "Lot" of the non-paying "Owner" which shall bind such "Lot" in the hands of the then "Owner," their heirs, executors, devisees, personal representatives and assigns. The personal obligation of the then "Owner" to pay such "Assessment," however, shall remain their personal obligation and shall not pass to their successors in title unless expressly assumed by them. The lien for unpaid "Assessments" shall be unaffected by any sale or assignment of a "Lot" and shall continue in full force and effect. No "Owner" may waive or otherwise escape liability for the "Assessments" provided herein by non-use of the "Common Areas" or abandonment of their "Lot."
- (b) All "Assessments" will be considered late after the 15th of the month following the due date, so payments received on the 16th are not one (1) day late, but fifteen (15) days late. All payments received after the 15th of the month following the due date shall be subject to a minimum of fifty dollars (\$50) monthly administration fee and are also subject to interest of twenty-one percent (21%) per annum.
- (c) If any "Assessment" or any part thereof is not paid within thirty (30) days after the delinquency date, the unpaid amount of such "Assessment" shall bear interest from the date of delinquency at the maximum legal rate of interest, and the "Association" may, at its election, bring an action at law against the "Owner" personally obligated to pay the same in order to enforce payment and/or to foreclose the lien against the property subject thereto and there shall be added to the amount of such "Assessment" the costs of preparing and filing the complaint (including reasonable attorney's fees) in such action and, in the event a judgment is obtained, such judgment shall include interest on the "Assessment" as above provided and a reasonable attorney's fee to be fixed by the court, together with the costs of the action.

- (d) This is not meant to substitute for any other remedies provided by these “Declarations,” the “Bylaws,” or any state-mandated policies and procedures. All remedies shall be separate and cumulative. Collection levels are determined by amounts in arrears rather than time frames. Late fees and interest will not be charged on any amount that is less than the amount of a one-month “Assessment.” For the purposes of collections, all fines, late fees, interest or other “Association” charges are considered part of the total amount being collected.

Section 11.13. Subordination of the Lien to Mortgages. The lien of the “Assessments” provided herein shall be subordinate and inferior to the lien of any mortgage or deed of trust now or hereafter placed upon the “Lots” subject to assessment; provided, however, that such subordination shall apply only to the “Assessments” which have become due and payable prior to the sale, whether public or private or such property pursuant to the terms and conditions of any such deed of trust. Such sale shall not relieve such “Lots” from liability for the amount of any “Assessments” thereafter becoming due nor from the lien of any such subsequent “Assessment.”

Section 11.14. Exempt Property. The following property subject to these “Declarations” shall be exempted from the Annual and Special “Assessments,” charges and liens created herein:

- (a) all properties dedicated and accepted by the local public authority and devoted to public use;
- (b) all “Common Areas” as defined in Article I hereof.
- (c) Notwithstanding any provisions herein, no land or improvements devoted to dwelling use shall be exempt from said “Assessments,” charges, or liens.

Section 11.15. Administration Fees. The “Association” may assess against a “Lot” a reasonable charge for providing letters notifying “Owners” of any violations or breaches of the “Declarations.” The “Association” may incur administrative time and expense in receiving and reviewing complaints of any violations of these “Declarations,” onsite inspections, consultations, mailing, and other time, costs, and expenses. The fee shall be charged for the first notice of violation; however, the “Association” may charge an “Owner” for any subsequent letter for the same or substantially the same violation of these “Declarations.” The “Board” may adjust the administrative fees from time to time, but such administrative fee shall not be less than \$75.00 per letter or fifteen percent (15%) of the annual Association fee, whichever is greater. The administrative fees contained within this Article 11 shall be collected in accordance with Section 11.12 above.
